We thank you for all the support and encouragement you have provided to NEXT GENERATIONS as we travel together on our extraordinary journey of remembrance to honor our parents and grandparents and those who were murdered during the Holocaust. With the strong support of you, our members and friends, NEXT GENERATIONS has emerged as a recognized and respected resource in the community for Holocaust awareness and education. More and more organizations are reaching out to us to join them in partnership projects that support our core mission of keeping the memories of our parents alive.

As we move forward and expand our efforts, we have made organizational changes that enable us to operate more efficiently and concentrate our efforts on achieving our goals. For this reason, annual membership in NEXT GENERATIONS now conforms to the calendar year, extending from January 1 to December 31 of each year. However, if you sent your membership payment in after July 1, 2009, your contribution will be honored for the 2010 calendar year. All annual memberships going forward will be \$36 while life memberships will remain at \$180.

If you have not renewed your membership, please do, so we can continue to carry the torch of remembrance from generation to generation! Please scroll down for the membership form. Our updated Calendar of Events is also below. Thank you for all your support!
